Upcoming Parent Only Tour

January 26, 2012 at 5:30pm

All parent tours begin promptly at their scheduled time and last approximately an hour. We begin with an overview of the Montessori curriculum, followed by a presentation about our school, given by one of our lead teachers. Parents then tour the school and are invited to ask questions. The tour ends with a review of tuition and other enrollment information.

For the purposes of this visit we ask that children do not accompany parents. It is difficult for young children to understand they are unable to go into the classrooms and play with the children who are working, which presents a distraction for families who would like to ask questions and for the children and teachers in the classroom.

If the above days and times are not convenient, please call to schedule a private, personal tour with our Admissions Coordinator, Jen Matweychek.

Thank you and we look forward to meeting you!
