

# Pest Policy

**R400.8380 (9)**

If pesticides are needed to rid a pest problem in or around one of our school, parents will be notified prior to application. Notifications will be posted in the following places:

- The front lobby of the school
- On our website ([www.schoolhousemontessori.com](http://www.schoolhousemontessori.com)) in the news section

These notifications will contain the following information:

- Target pest and/or purpose
- Approximate location
- Date of the application
- Contact information to the school
- Toll-free number for a national pesticide information center recognized by the Michigan department of agriculture.
